

Rock Paper Scissors RPS1, RPS2 & RPS3 Supply List

- All Supplies and materials are provided for students to use in our Rock Paper Scissors Studio classes. The only thing you need to provide is...well...the Student! (And you might bring a snack...) All students need to do is show up on time ready to sew. The "on time" part is crucial: Late arrivals are welcome but will be required to audit the class, as these 2 1/2 hour classes cover an enormous amount of information, all of which students need in order to complete the project.
- Please be respectful of the minimum age of 9 years for children participating in the class. Should a parent or guardian wish an exemption to this policy be considered for his or her child, this exemption request must be in consultation with the owner of Sewing Arts Center and the instructor of the class.

Should you wish at some juncture to purchase a basic sewing kit for your child, the following tools are recommended:
