- Mettler 50 Weight Cotton Thread to Match
- Fabric: Dependent upon what you choose to make you'll need the following:

1 Napkin:

- One 21" square of fabric.

1 Placemat:

- One 16 ½" x 22 ½" rectangle of fabric for the background and wrap-around miter
- One 15" x 21" rectangle of fabric for the insert
- One 15" x 21" rectangle of Quilter's Dream Request weight polyester batting

NOTE: When purchasing fabric for napkins, in order to get the best economy, I divide the width of the fabric by 2 or by 3 to determine the total length needed to accommodate my needs. In my world, 45" wide fabric will net 3 napkins approximately 12" finished, or 2 napkins approximately 19" finished (allowing for trimming of selvage waste.) If I want 12" finished napkins, I'll need 1/2 yard for every 3 napkins. If I want 19" finished napkins, I'll need 2/3 yard for every 2 napkins. Don't forget to allow for shrinkage. It is best to PREWASH your fabric and PRESS it prior to making your napkins. For sample purposes, don't worry about this for class.
